

Keychain Post it Notes

Good morning!

Today's project is a **Keychain Post it Note** and I haven't made one in quite a while. I created the **Keychain Post it Note** a few years back and I've seen it on hundreds of other websites....every time I see one it puts a smile on my face. It's the little things that bring us joy.

We used the **Berry Christmas stamp set** with the **Christmas Cocoa Specialty Paper**. This pattern of paper feels like felt when you run your hand across it.
