

Christmas Treat Holder

Supplies

Stamps: Merry & Type - Wood #122550 Clear #122552

Paper: Cherry Cobbler #119685, Early Espresso #119686, Espresso Core'dinations (optional), Shimmery White #101910

Ink: Early Espresso #126974

Punches: Corner Punch #119871, Decorative Label Punch #120907

Accessories & Tools: Cherry Tulle #127841, Espresso Tulle #127839, Lacy Brocade Embossing Folder #127819, Sponges #101610, Dimensionals #104430, Champagne Mist Shimmer Paint #116806, Big Shot Die Cut Machine #113439, Sticky Strip #104294, Sanding System #129367 (optional)

Instructions:

1. Round the top of the Cherry Cobbler card stock with the Corner Punch.
2. Emboss the Early Espresso card stock using the Lacy Brocade Embossing Folder.
3. Attach the Early Espresso card stock to the Cherry Cobbler using Sticky Strip. Apply it to both sides and the bottom ...leaving the top open to add your treat.
4. If you're using the Core'dinations card stock you can sand before or after you add it.
5. Spray project with Champagne Mist Shimmer Paint mixed with alcohol.
6. Add your treat.
7. Tie the Tulle around project (open it before you wrap it around) and trim ends to make them even.
8. Stamp Merry and Bright with Early Espresso ink onto the Shimmery White card stock and set aside to dry.
9. Cut a piece of Cherry Cobbler card stock with the Decorative Label Punch.
10. Sponged the edges of the Cherry Cobbler Decorative Label with the Champagne Mist Shimmer Paint and cut in half.
11. Cut out the Merry and Bright with the Decorative Label punch and add adhesive to the back to add to the Cherry Cobbler pieces.
12. Add Dimensionals to the back and add to your treat holder.

Measurements:

- Cherry Cobbler card stock: 6 x 4-1/4
- Early Espresso card stock: 5 x 4-1/4

Tips:

- You can use the Core'dinations card stock or the Early Espresso card stock for this project. If you use the Core'dinations you will want to use the Stampin Sanding System.
