To Build

Fold on all the score lines

Cut up the vertical score lines to the first horizontal line.

Place adhesive on each of the loose square tabs, and fold 2 in to adhere to the created 'lid' and the remaining 4 tabs to the opposite section to create the 'base'.

Fold on the score lines of the inner divider, adhering the apex part to itself, then adhering the longer flattened section to the bottom of the box.

Adhere the DSP to the top.

Insert Antique Brad to form a decorative 'handle'

Stamp and punch 2 Flower Shop 'sketch' flowers for the box lid, and one each for the cards. Apply large rhinestone to the center of each flower.

Stamp sentiments of your choice from the Teeny Tiny Sentiments stamp set onto whisper white cardstock, and punch out using the word window punch. Sponge the edges with Marina Mist ink.

Punch out matching numbers of Marina Mist cardstock with the Modern Label Punch and adhere the sentiments to these.

Place dimensional on the back of each.

Decorate using tiny punches and rhinestones.

Close the box and tie a band of Marina Mist Chevron Ribbon around to close...
