Instructions

1. Please read instructions all the way through before you begin.
2. Score 8 x 11 Kraft card stock in portrait mode at 1-1/2. Score on the landscape side @ 3-3/4, 4-1/2, 5-1/4, 9, 9-3/4, 10-1/2.
3. Fold and crease all score lines using Bone Folder.
4. Place skinny side on the right and remove the small section at the bottom and then angle the 1/2 side (at top and bottom). Cut up to the scores at the bottom and make sure you skip the middle of the tabs. Don't assemble bag yet stamp on it first.
5. Stamp bats with Memento ink on the front of the bag.
6. Assemble bag using Tear and Tape (add adhesive on 1/2 strip on side and at the bottom).
7. Stamp image with Memento ink on Very Vanilla card stock and cut out with the Lots of Labels Framelits.
8. Place Spider Web Doily on bag and trim 1/4 of it off and attach to bag with Glue Dots.
9. Flag one end of the 1/2 Strip of DSP with the Banner Punch and add it on top of the Burlap Ribbon with a Glue Dot and attach it to the image (use glue dots or Scotch Tape). Add two Rhinestones.
10. Add Dimensionals to the back and add to bag.
11. To make the Witches Hat cut, take the Glimmer Paper and cut out a 1-1/4 Circle, place the 2-1/2 Circle Punch over that Circle and cut out the 2-1/2 Circle.
12. Use the Tree Punch and cut out two Trees.
13. Attach Trees to Clothespins with Glue Dots (do not attach them to the stem).
14. The trees will slide up in the 1-1/4 Circle and you need to attach it by adding Glue Dots at the bottom of the front of the trees.
15. Use the Bow Builder Punch with the Happy Haunting DSP to make the bow and add it to the front of the hat using a Glue Dot.
