## **CUTTING INSTRUCTIONS** (Please read instructions all the way through before you begin.)

1. Cut your Designer Series Paper at 5-1/2" and cut that piece at 8-1/2 to measure 5-1/2 x 8-1/2. Set this piece aside to use for box. Take the remaining piece and cut it @ 2-7/8 x 3-7/8. This is for card number seven.
2. Take the remaining DSP and cut @ 2-7/8, slide it over and take the remaining piece and cut it at 2-7/8. Take both of those strips and cut six pieces that will measure 2-7/8 x 3-7/8. Those six pieces are for six cards.
3. Once you're done you will have 7 pieces that measure 2-7/8 x 3-7/8, one piece that measures 5-1/2 x 8-1/2.
4. Cut 4 sheets of Blushing Bride Card Stock @ 4-1/4 to measure 11 x 4-1/4. On the final piece of card stock (11 x 4-1/4) cut a 1/2 strip for the box.
5. If you want to add a White layer to the inside of your card cut 2 sheets at 5-1/4 x 4 (you get four per page).
6. Take two more sheets of Whisper White Card Stock and cut 7 pieces that measure 4 x 3.
7. Score the Blushing Bride card stock at 5-1/2 to form card base. Add white layer to inside of card.
8. Add DSP to White Card Stock (4 x 3) and place Dimensionals on the back.
9. Take the remaining White Card Stock and stamp 8 images with Rose Red Ink (you can stamp off if you'd like a lighter shade) and then cut them out with the 2" Circle Punch.
10. Add Stitched Satin Ribbon to the front of each card (slide bow to the right).
11. Add DSP panel to front of card (with Dimensionals).
12. Add image to the Blushing Bride Glimmer Paper 2-3/8 Scallop Circle with a couple Dimensionals and then add to front of card with Dimensionals.
