INSTRUCTIONS (Please read instructions all the way through before you begin.)

1. Cut your Designer Series Paper at 4", cut again at 4" and that leaves you with a 4" strip.
2. Take two of those strips and cut at 5-1/4 and 5-1/4 again ... giving you two pieces that measure 5-1/4 x 4. Repeat on 2nd strip. Set aside third piece for the box.
3. Cut two pieces of Thick Whisper White card stock at 5-1/2, giving you four card bases. Score all four at 4-1/4 to form your card base.
4. Cut the Emerald Envy card stock to measure 3 x 4 & you need four pieces.
5. Cut Whisper White card stock to measure 2-3/4 x 3-3/4 (4 pieces).
6. Add DSP to the front of each card. Add Emerald Envy layer to card front.
