INSTRUCTIONS

1. Using the Simply Scored Scoring Tool score the 8-1/2" x 6" piece of the Pool Party Cardstock on the portrait side at 1" & 5". Turn on landscape side and score at 4" & 8". Keeping the 1/2" on the right side flip the cardstock over and score at 2" & 6" only to the 1" score line (this is the bottom of the box).
2. Now place the Pool Party cardstock on your Stampin' Mat and use a Ruler with a Stylus and score from each corner to the center score line on the bottom. Do this on both sides. Please watch my video for a better explanation at this link: <https://bit.ly/35DswbB>
3. Fold on score lines and burnish with Bone Folder. Cut out the box using the template below or by watching the video.
4. Before you assemble the box add the Designer Series Paper. Take the 3-3/4" x 3-3/4" piece and fold in half and squeeze only the top section to find the center. Place that center line in the cutting track on the Paper Trimmer and then line up the bottom point on the trimmer and cut. Flip paper over and repeat. That gives you all three pieces you need to cover the center of the box. Use Liquid Glue to add all four pieces of Designer Series Paper. Start with the 3-3/4" x 7/8" strip at the top.
5. Add Tear & Tape adhesive and assemble box.
6. Stamp the bird with Memento Ink on Whisper White Cardstock. Stamp the greeting with Cherry Cobbler Ink. Color the bird with Stampin' Blends Markers. Cut the bird out with the Stitched Shapes Dies. Cut the greeting out with the Classic Label Punch and a Cherry Cobbler. Cut out a Cherry Cobbler Scallop Circle with the Layering Circles Dies.
7. Trim the left and right of the greeting with your scissors and add it to the Cherry Cobbler using Liquid Glue. Add the bird image to the scallop circle with Liquid Glue.
8. Add one Star Elements using a Take Your Pick Tool.
9. Add the image to the box using Stampin' Dimensionals. Add the greeting with the Mini Stampin' Dimensionals. Tie the Cherry Cobbler Ribbon bow and add to the box with a Mini Glue Dot.
